

**Macomb County Department of Roads
Public Notice of Herbicide Program**

Macomb County Department of Roads, in conjunction the Lake St. Clair Cooperative Invasive Species Management Area hereby provides notice property owners adjacent to County roadways of the 2019 Phragmites Herbicide Application Program for the roadside right-of ways within Harrison, Clinton, Shelby, Washington and Ray Townships.

Contracted Application Firm:

Contractor: Wetland and Wildlife Solutions LLC
Address: 5211 US 131 South Boardman, MI 49680
Phone: 231-570-4215
Website: <https://www.wildlifewetlands.com/>

Schedule of Application:

Applications will take place between September 16 and September 27, 2019. EGLE permitting restrictions, national holidays, and/or weather conditions, may influence the timing of treatments and therefore the schedule is approximate.

Herbicide Locations:

Locations may include, but are not limited to, sections of:

Clinton Township: Canal Road, Metropolitan Parkway, Stevenson, Little, and Groesbeck.

Harrison Township: Metropolitan Parkway and Prentiss Street.

Ray Township: North Ave, 28 Mile, Teller Road, 27 Mile, Kunstman, Romeo Plank, and Coco Ct.

Shelby Township: Hayes Road, Ryan Road, and Mound Road.

Washington Township: Schoenherr Road, Campground Road, 26 Mile, 27 Mile, 28 Mile, 29 Mile, 30 Mile Road, Old Van Dyke, Mound Road, Dequindre Road, and Inwood Road.

Herbicides & Method of Application:

Aquaneat, Habitat, and Cygnet Plus as an adjuvant (drift control, surfactant). All applications will be foliar applied by vehicular mounted hand spray gun equipment. The herbicide will be tank mixed.

Re-Entry Restrictions:

Do not enter treated areas until the spray has dried.
