Special Inspection Report for Antennas

ATTENTION: This form shall be submitted along with the associated field reports and an approval letter from the Design Professional in Responsible Charge (DPRC) pursuant to Section 1704.2.4. The DPRC is the architect or engineer of record for the project.

Project Address: _____

Project Description: _____

Individual / Inspection Agency: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone # _____ Email: _____

The undersigned has conducted special inspections of the antenna construction at the above-mentioned location in accordance with Chapter 17 of the applicable **Michigan Building Code**. Inspections were performed to verify compliance with the approved construction documents, including: installation of high-strength bolts; bracing; stiffening; member locations; and proper application of joint details at each connection. I hereby certify that the antenna construction complies with the approved plans of record, current Michigan Building Code, TIA-222, and all applicable standards.
