The Shelby Township Parks, Recreation and Maintenance Department provides a thoughtful way to honor the memory of a loved one or mark a special occasion.

Your tree purchase will bring hours of enjoyment to countless park visitors as well as to its many inhabitants for years to come.

You may choose to place your memorial or commemorative tree in one of the many parks located and maintained by Shelby Township.

A weatherproof engraved plaque with a message you choose will accompany your gift, and an acknowledgement is sent to the family of the honoree.

The cost for the purchase and placement of a tree with plaque is just \$250. Please note that this price is subject to change without notice.

Placement and type of tree are at the discretion of the Shelby Township Parks, Recreation and Maintenance Department Director. Planting of the tree and installation of plaque will be done by a maintenance staff member at the appropriate time of year.
