

Coffee Filter Butterfly

SUPPLIES:

Coffee filter
Clothespin
Colored markers
1/2 Pipe cleaner
Spray bottle or dropper with water
Paper towel

DIRECTIONS:

1. Decorate the coffee filter with markers.
2. Wet the coffee filter using your spray bottle or dropper and watch the color spread. Let it dry.
3. Decorate clothespin as desired.
4. Pinch the middle of the coffee filter with clothespin to create two wings for your butterfly.
5. Use half a pipe cleaner to make antennae by wrapping them around the "head" of the clothespin.
