

DECORATE A HAT

RECOMMENDED AGE: 2 YEARS+

Children can practice their fine motor skills decorating their hat. Talk about colors, textures with your child as they're working, or when they've finished their fun hat.

SUPPLIES:

- A Party Hat
- Glue
- Bits of paper, pom poms, stickers, or anything you can use to decorate a hat.

DIRECTIONS:

1. Glue the bits of paper and other materials onto your hat. Decorate it however you think is best.
2. Let the glue dry before wearing your hat.
