

Flower Crowns

SUPPLIES:

- 2 long construction paper strips
- Assorted construction paper flower and leaf cutouts
- Assorted pom poms, stickers, and whatever you'd like to decorate your crown
- Tape and glue

DIRECTIONS:

1. Tape one end of a construction paper strip to the end of the other paper strip.
2. Glue on assorted flowers, leaves, pom poms, and stickers to decorate your flower crown. Leave some empty space at the ends of the strips for taping the crown together around your head to fit your size.
