Remember our  
environment is  
fragile. Be sure  
to stay on the  
trails and only  
take pictures to  
keep everything  
in balance!

## VISIT THE BURGESS-SHADBUSH NATURE CENTER

Did you find something on your walk but aren't sure what? Visit the nature center with a picture of the discovered animal or plant and we can help identify it for you.

Be sure to use **#ShelbyTwpBINGO** to share your card with everyone and we might post it on our facebook.
